ORGANIZATIONAL CHART

**ISD 877 BUFFALO-HANOVER-MONTROSE
2024-2025 BUDGET**

BUDGET OVERVIEW

PURPOSE OF THE BUDGET

The purpose of the budget is to provide a financial plan with estimates of proposed expenditures for a given period and purpose, along with the proposed means of financing the plan. To achieve this basic objective, a comprehensive budget system is integrated within the financial accounting system.

The budget reflects the school district's priorities and expectations and is a guide for future activities, both financial and program. The structure and format provided by a well-designed budget promotes sound decision making when allocating resources and prioritizing the importance of school district services.

KEY OBJECTIVES OF THE BUDGET PROCESS

- Integrate the budget process so that each program's activities contribute to the goals and educational priorities and needs of the school district.
- Communicate the budget process clearly to school district staff and community.
- Relate estimated costs and actual costs to specific programs/activities.
- Utilize historical data for budget preparation and related monitoring, assessment and planning decisions.
- Achieve consistent budgeting and reporting.

SIGNIFICANT STATE STATUTE REQUIREMENTS

- Prior to July 1 of each year, the school board shall approve and adopt its initial revenue and expenditure budgets for the next school year. The adopted expenditure budget document shall be considered the school board's expenditure authorization for that school year. No funds may be expended for any purpose in any school year prior to the adoption of the budget document which authorizes that expenditure for that year.
- The school district shall maintain separate accounts to identify general fund expenditures for each school building.
- The budget and supporting data shall be maintained and made available for public review.

BUDGET ASSUMPTIONS CONTINUED

FOOD SERVICE FUND

The budget assumes the continuation of the Free School Meals for Kids Program enacted during the 2023 legislative session. The program provides one free breakfast and lunch to each student. Even though meals are free for students, student-paid meal prices are retained in case of a program change. The student-paid meal prices will not increase from the 2023-24 school year. Student second meal and adult meal prices were increased based on projected food costs. The Buffalo-Hanover-Montrose paid school meal prices will be as follows:

	<u>Breakfast</u>	<u>Lunch</u>
Elementary School	\$2.00	\$2.90
Middle School	\$2.10	\$3.10
High School	\$2.10	\$3.10
Student second meal/adult	\$2.40	\$5.00

COMMUNITY SERVICE FUND

On May 13, 2024, the preliminary Community Service budget was presented. The program continues to project increased activity resulting in an anticipated year end fund balance increase.

HRA TRUST FUND

The District has created a sunset clause in the teachers' and administrators' contracts. Individuals hired after the sunset date in their respective contracts are no longer eligible for the grandfathered post-retirement insurance benefits. The new provisions require the district to make an up-front contribution to the employee's HRA account upon hire and an annual contribution to the employee's HRA account for each year of service. Each contract has a contribution limit for the individual employee. These funds are held in an irrevocable trust fund and the employees have to meet certain vesting requirements before they can access these funds. The balances shown for this fund represent contributions and any accrued interest earned on those funds. Contributions to this trust fund are included as part of the General fund expenditures.

BUILDING CONSTRUCTION FUND

General Obligation School Building Bonds Series 2024A authorized in the November 2023 election were issued on March 21, 2024. Proceeds from the \$41,500,000 issuance were recorded in the 2023-24 fiscal year. During fiscal year 2024-25 revenue will be the result of interest income. Expenditures will be limited due to equipment lead times and the major projects will start in March 2025.

General Fund

01 General Fund

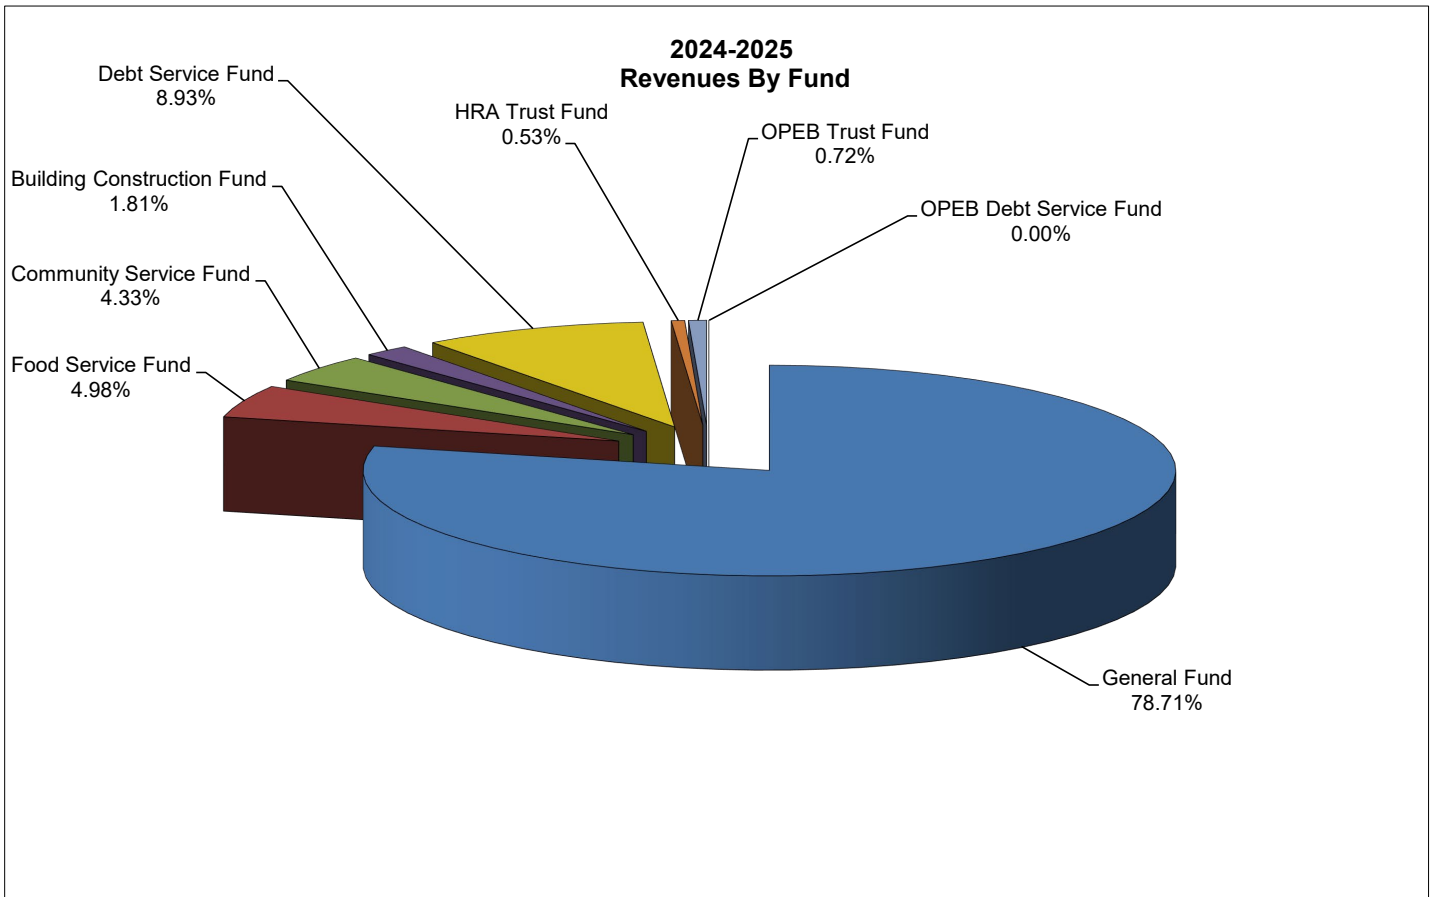

The General Fund is used to account for all revenues and expenditures of the school district not accounted for elsewhere. The General Fund is used to account for: K-12 educational activities; district instructional and student support programs; expenditures for the superintendent; district administration; normal operations and maintenance; pupil transportation and capital expenditures.

The General Fund also includes the Capital Outlay Fund, which the district accounts for separately for internal purposes. The Capital Outlay expenditures account for the health and safety programs, facility repair and maintenance.

The Food Service Fund is used to record the financial activities of a school district's food service program. Food Service includes activities for the purpose of preparation and service of milk, meals, and snacks in connection with school community service activities.

All expenditures relating to meal preparation must be recorded in the Food Service Fund. Eligible expenditures include application processing, meal accountability, food preparation, meal service, and kitchen custodial service.

04 Community Service Fund

The five components are Community Education, Early Childhood Family Education (ECFE), School Readiness, Adult Basic Education, and Community Service-General.

Early Childhood Family Education activities are to improve parenting skills of new and expectant parents and to provide learning experiences for parents and children.

School Readiness includes activities based on the needs of children identified through a screening process. These activities will include social services, a development and learning plan, health referral services, a nutrition component, and parental involvement.

The Adult Basic Education reserve will include all activities in the Adult Basic Education and Adult High School Graduation Programs.

Other Funds

06 Building Construction Fund

The Building Construction Fund is used to record all operations of a district's building construction program that are funded by the sale of bonds or by capital loans.

Construction costs for buildings and additions consist of the following: expenditures for general construction; advertisement for contracts; payments on contracts of construction; installations of plumbing, heating, lighting, ventilating, and electrical systems; expenditures for lockers, elevators, and other equipment; architectural and engineering services; travel expenses; paint and decorating expenses; and any other related costs.

Where a balance from a bond issue remains in the Building Construction Fund after the project has been completed and all claims against the Building Construction Fund have been paid, the balance must be permanently transferred by official board resolution to the Debt Service Fund and used to pay the bonded indebtedness incurred in the project.

07 Debt Service Fund

The Debt Service Fund is used to record revenues and expenditures for a school district's outstanding bond indebtedness, whether for building construction, operating capital or for initial or refunding bonds.

When a bond issue is sold, the school board must levy a direct general tax upon the property of the district for the payment of principal and interest on such bonds as due. The revenue from such a tax and related state aid must be separately accounted for in a Debt Service Fund.

There can be no borrowing from the Debt Service Fund. Any cash balance or investment in the Debt Service Fund is held in trust for the bondholders and must not be used to support cash deficits in other funds.

18 HRA Trust Fund

The HRA Trust fund is used for reporting contributions to an employee's HRA account upon hire and an annual contribution to the employee's HRA account for each year of service. These funds are held in an irrevocable trust with Mid-America through National Insurance Services. Employees must meet certain vesting requirements before accessing these funds.

45 OPEB Trust Fund

This trust fund is used for reporting resources set aside and held in an irrevocable trust arrangement for post-employment benefits. District contributions to this fund must be expensed to an operating fund.

47 OPEB Debt Service Fund

Activity to record levy proceeds and the repayment of the OPEB bonds will be accounted for in this fund.
