Dear Students and Parents,

Welcome to Buffalo High School. We feel that our school is a special place. Our mission at BHS is, *“In partnership with our families and community, Buffalo High School prepares each student for a successful future. In an academically rigorous and supportive environment, we prioritize learning, equity, and meaningful relationships. Together, we value student agency, growth and connections.”* We believe that every student deserves an excellent education and should be treated with respect and care. Buffalo High School values positive relationships within our school community and uses them to build on our successes.

At BHS, we work and learn together with the core values of Be Kind, Be Proud, Be Driven and Be Leaders. Focusing on these core values will help maximize your time at Buffalo High School.

- **Be Kind:** Have a positive attitude every day you come to school, and work to build positive relationships with your teachers and peers.
- **Be Proud:** Set clear goals for your schoolwork and take responsibility for your success.

• SUPPORT SERVICES

The personal and academic development of each and every student at BHS is a collaborative effort of all staff. We provide a number of specific services to help meet the mental and physical health of students. Below is a summary of some of these services.

Any student who is **struggling with suicide or who is in crisis**, or who knows of someone in crisis can access the following resources:

- 988 Suicide and Crisis Lifeline: Call or Text - 988
- Four County Crisis Response Team: Call - (800)635-8008

Student Services BHS has four school counselors available for students to access. They can assist with topics including academics, personal and social concerns, and college and career preparation. Students can set up an appointment to see their school counselor in the Student Services office. The Student Services Secretary can assist in finding the best time of day available to meet.

Counselors

Mr. Mark Jones	(student last names A-F)	mjones@bhmschools.org	763.682.8107
Ms. Shanlee Maher	(student last names G-K)	smaher@bhmschools.org	763.682.8054
Ms. Christina Cox	(student last names L-Rn)	ccox@bhmschools.org	763.682.8075
Ms. Jennifer Blair	(student last names Ro-Z)	jblair@bhmschools.org	763.682.8139

Student Schedules Students should carefully plan their schedule through a completed 4-year plan, input from parents/guardians, and conversations with their school counselor. Choosing classes is not only important for students to prepare themselves to be college and career ready, but it is also how BHS determines which classes to offer. After registration, there is very limited opportunity to change a student's requested classes.

Schedule Changes

Schedule changes may be made for:

- The student does not have the prerequisite(s)
- The student failed a class
- There is an obvious error (two classes at the same time)
- To add a class that is needed to graduate
- The schedule is unbalanced
- Open/Empty class period within a student's schedule

Schedule changes will not be made for:

- Request a specific teacher
- Request a specific trimester or class period
- Change lunch periods
- Have a class or lunch with a friend
- Leave to attend school or non-school sanctioned activities

All schedule changes must be completed by the end of the student's school day on the 1st day of the term in which the class is scheduled for.

Requesting Official Transcripts Transcript requests are conducted online via www.parchment.com. After an account is created, Parchment will deliver your official school transcript to the college and/or organization you choose. Cost ranges from \$4-5. Find more details in the Student Services Office.

Psychological Services The school provides a psychologist in the area of testing and counseling. Please contact Kamryn Arceneau for more information at karceneau@bhmschools.org.

Social Workers The school district provides two social workers to help students with family and personal problems. BHS Social Workers are Patti Fisher (pfisher@bhmschools.org) and Megan Fletcher (mfletcher@bhmschools.org).

Health Services A Licensed School Nurse (LSN) oversees and directs the functioning of the School Health Office. A health assistant, who is trained in first aid and CPR, attends to the basic health needs of students during the school day. Students who become ill or injured while at school are to report to the health office. Through collaboration between the health assistant, LSN, and possibly other school staff, a plan of care for the student will be determined. Parents will be contacted by the Health Office Staff if the student needs to go home or have medical follow up. **Students leaving school without reporting to the health office will be considered truant.**

Students who need to take medication during the school day are to bring the medication to the health office. Parent permission must be documented in the health office for students to use medication at school. In addition, a physician's order is necessary for any use of prescription medications at school. All Medication Permission forms are available in the health office and on the [BHM Schools Website Health Services](#) under Health Plans and Forms. The school does not supply medications. The health office phone number is 763.682.8121.

If students have special health needs or medical concerns, it is important for the health office staff to be alerted and informed of these concerns. When a student has special or unique health concerns, please contact the School Nurse, Principal, or Counselor for a health plan. Medical verification may be necessary. The BHS School Nurse, Karen Schultz, can be reached at 763.682.8120 for any questions or concerns. To promote the safety of all students using Vision of Buffalo Bus Company, parents are asked to provide medical and emergency information to the bus company directly by emailing or calling Dawn Johnson at djohnson@bhmschools.org or 763.682.8494. Due to confidentiality laws, the district is unable to provide this information to the contracted transportation company.

Special Education Trained staff are available to provide students who have learning and physical disabilities with help and support. Questions regarding special education please contact your student's IEP case manager or Special Services Site Coordinator, Danielle Winkelman at 763.682.8130.

School Resource Officer Chris Coats is available to students, staff, and parents at Buffalo High School. He can be reached at 763.682.8135.

● NUTRITION SERVICES INFORMATION

Breakfast and lunch are offered each day through the School Meals Program. Menus are posted on the district website and emailed to guardians monthly. Students are assigned their own PIN for their meal account. Students need to memorize their PIN. Please remind your student not to share their PIN with friends. Meal account deposits can be made online with a credit or debit card at Campus Parent Portal, or by sending cash or check to the school with your student. Students have the opportunity to make deposits (cash or check) to their account in the office or cafeteria area. Deposits received by 10:00 am

will be ready for use at lunch. Please write your student's full name or PIN on the check/envelope if paying by cash or check.

The Application for Education Benefits can be completed anytime during the school year. Online applications are available at Infinite Campus Parent Portal. Paper applications are available by contacting the District Nutrition Services Office (763.682.8775). Families must apply annually for benefits. Parents will need to have a Parent Portal account to access the online application, make online meal payments, and monitor student meal purchases. See your school office if you need to set up a Parent Portal account.

Student meal costs are the responsibility of a student's guardians. Email and text messages for meal accounts with low and negative balances are sent to guardians Monday through Friday. All students will be provided a complete meal regardless of meal account status. Students will not be denied a meal due to a negative balance. We believe this is in the best interest of the student. Students will not be allowed to purchase ala carte items if their account balance is negative. Students choosing to bring a breakfast or lunch from home may use their meal account to purchase milk in the lunchroom. Please choose foods that are nutritious when packing a breakfast or lunch from home for your child. A complete copy of the School Meals Policy is available on the district website. If you wish to receive a full copy, please contact the District Nutrition Services Office.

The Free Meals for Kids Program allows one free breakfast meal and one free lunch meal per student each day. Additional ala carte items will be charged to the meal account.

● WELLNESS INFORMATION

The BHM district has set forth methods that promote student wellness, prevent and reduce childhood obesity, and assure that school meals and other food and beverages sold and otherwise made available on the school campus during the school day are consistent with applicable minimum local, state, and federal guidelines. A complete copy of the district's Wellness Policy is available on the district website. If you wish to receive a full copy, please contact the District Office.

● 18-21 YEAR OLD STUDENT POLICIES

At Buffalo High School, our policy states that all students, regardless of age, must adhere to the same rules and regulations. Persons between the ages of 18 and 21 must follow the same regulations as those students under 18 years of age. Buffalo High School requires that students 18 years and older must provide parental verification of absences.

● LATEX BALLOONS

For the safety of our students, staff and general public who use our buildings, the district does not allow the use of latex (rubber) balloons in any capacity, in any school building, at any time of the day. However, Mylar (foil) balloons are still allowed. Latex is a substance that can have a life threatening impact when a person is exposed to it.

● LOCKERS

Every BHS student is expected to choose a locker. Hallway lockers and physical education lockers are "on loan" to students for the school year and remain the property of District 877. It is the individual student's responsibility to keep their locker clean and neat inside and out. Students are advised not to keep money or other valuables in their lockers. The school will not be responsible for lost or stolen property. Students are expected to keep hallway and physical education lockers locked at all times. Students must purchase a padlock from the high school. These locks should be used for hallway and physical education lockers.

Only locks purchased through the school will be allowed on any school lockers. Students may use locks purchased from the high school or middle school in previous years. Locks are available for purchase at the Activity Office window.

It is the policy of the state of Minnesota that:

"School lockers are the property of the school district. At no time does the school district relinquish its exclusive control of lockers provided for the convenience of students. Inspection of the interior of lockers may be conducted by school authorities for any reason at any time, without notice, without student consent, and without a search warrant. The personal possessions of students within a school locker may be searched only when school authorities have a reasonable suspicion that the search will uncover evidence of a violation of law or school rules. As soon as practicable after the search of a student's personal possessions, the school authorities must provide notice of the search to students whose lockers were searched unless disclosure would impede an ongoing investigation by police or school officials."

BHS locker rooms will be locked during class periods and staff may not be available to open them while classes are in session. PE lockers should only be used for PE classes and activities. All other locker needs should be with a locker in the regular locker bays.

● **SEARCHES**

Students should be aware that school officials are allowed to search students and their lockers, motor vehicles, and personal property when they have reasonable suspicion that a particular student is in violation of school rules or the law or may cause a substantial disruption to the school environment. Canine searches may also be conducted.

● **STUDENT RECORDS**

District 877 shall permit the parents of a student or an eligible student who is or has been in attendance in District 877 to inspect and review the educational records of the student except those records which are made confidential by state or federal law. District 877 shall comply with a request immediately, if possible or within five days of the date of request, excluding Saturdays, Sundays and legal holidays. If District 877 cannot comply with the request within that time, the responsible authority shall inform the requester and may have five additional days within which to comply, excluding Saturdays, Sundays and legal holidays.

● **SCHOOL DAY**

"School day" is defined as the time from when a student gets on the bus in the morning or enters the school district property by any mode of transportation to the time when a student gets off the bus at the end of the school day or when a student leaves the school grounds by any mode of transportation after the school day or after any school district sponsored activity. Buffalo High School operates on a closed campus policy which includes lunch periods. Any student scheduled to not be on campus for a class period (e.g. Senior Study, OJT, etc.) should not be in the hallways during class time. Failure to follow this expectation may result in a student not being able to participate in courses that are off campus.

Daily Schedule:

8:50 - 9:53	1st Hour
9:58 - 11:01	2nd Hour
11:06 - 11:31	Advisory (Monday & Friday) BASE (Tuesday, Wednesday, Thursday)

11:36 - 1:09	3rd Hour & Lunch
1:14 - 2:17	4th Hour
2:22 - 3:25	5th Hour

● **ADVISORY**

The purpose of Advisory is to create a community environment of learners where students and staff experience belonging, foster healthy relationships, develop academic skills and enhance school culture.

- Every student will meet in an Advisory two times per week
- Advisory is grouped by grade-level
- Balanced lessons focused on college/career readiness, academic support and planning, social/emotional literacy

● **BASE TIME (Bison Academic Support & Enrichment)**

The purpose of BASE TIME is to provide targeted, timely and systematic learning opportunities for all BHS students based on student academic and enrichment needs.

Key guidelines regarding BASE time:

- BASE time is typically three days per week
- Standards-Based Intervention
- Test prep study sessions/Test Make-up
- Mentoring/Tutoring
- Homework Help

● **SENIOR STUDY**

BHS recognizes that Seniors taking exceptionally rigorous coursework (e.g. multiple CIS/AP courses) and comfortably on track to graduate may benefit from reducing their course load in order to focus on these challenging courses. The Senior Study has been developed to meet this need. Students interested in registering for a Senior Study should be aware of the following:

- Students must meet academic and credit requirements
- Students may only take one Senior Study per trimester for a maximum of three Senior Studies during the school year. (No stacking Senior Studies into the same trimester)
- Senior Study is offered for NO CREDIT
- Senior Study is offered in limited capacity throughout the school day
- Students registered for a Senior Study during 1st or 5th hour are encouraged to leave the building.
- Senior Study students must be in the dedicated location for that class period.

Students intending to register for a Senior Study need to complete a Senior Study form from the Student Services office.

● **VISITORS**

Any visitors who come to the school during the school day are asked to park in the visitor parking spots in the South parking lot and enter through the Main Entrance (Door #2). Visitors will enter a secure

entrance, sign in, and wear an identification badge. We ask that all visitors follow these procedures so that we can ensure the safety of our students. Students are not to bring other student guests during the school day. Requests for visitations due to extenuating circumstances must be cleared by an administrator at least one day in advance.

PSEO, Elevate, or other students that do not regularly attend BHS during the school day must check-in with the greeter when they arrive and leave. All students need to be in an assigned location and should not be roaming the hallways or sitting in resource areas when classes are in session. If students are unsure where to go, they should check with the front office staff for direction.

- **WRIGHT TECHNICAL CENTER (WTC) STUDENTS**

On those days that BHS is in session, but WTC is not, WTC students will be required to be on campus and will report to the cafeteria. WTC students may be allowed to be off campus on uniquely scheduled days (e.g. early release, late start) or they may be directed to stay in the cafeteria during their regularly scheduled WTC time. There are limited seats available for WTC and students need to be in good standing both academically and behaviorally to continue to access this program. Inquiries may be directed to Dana Watters, 763.682.4112.

Academic Information

- **GRADUATION REQUIREMENTS**

Each trimester course at BHS will earn a student ½ credit toward graduation. Students must take a minimum number of total credits and earn credits within a number of required areas set forth by the BHM School Board and the MN Department of Education. Due to the recent transition from a four-quarter schedule to a three-trimester schedule, each graduating class has slightly different requirements. See a summary below:

Class of 2025 - 29 credits needed of 31 possible

Class of 2026 - 28 credits needed of 30.5 possible

Class of 2027 & 2028 - 27.5 credits needed of 30 possible

Students will be notified of specific course requirements for each grade level as the district, in accordance with state statutes, determines them. Students are required by Minnesota State law to demonstrate satisfactory completion of the credit requirements set forth and their understanding of academic standards in order to receive a public high school diploma.

- **DIGITAL TOOL INVENTORY OF CORE CURRICULUM AND ASSESSMENT TOOLS UTILIZED**
(Data Privacy Bill HF 2353)

The Buffalo-Hanover-Montrose School District utilizes a variety of digital tools to support student learning. Technology vendors and software are utilized to support work as we help all students develop the skills necessary to succeed in an ever-changing world. We have an inventory of our curriculum, testing, and assessment tools, which includes an outline of the student data elements within each tool, posted [here](#). This list is maintained and communicated annually to all families at the start of the school year via our school handbooks. Please feel free to reach out to your child's teacher or Principal for additional information regarding specific digital tools used in classrooms.

- **GRADUATION POLICY FOR STUDENTS INVOLVED IN ALTERNATIVE PROGRAMS**

Alternative school students planning to graduate from BHS must attend a publicly accredited alternative program to earn their credits. They must complete their program by May 15 to be eligible to participate

in the graduation ceremony at Buffalo High School. Please meet with a school counselor to determine a plan for graduation at BHS.

- **GRADUATION POLICY FOR BUFFALO HIGH SCHOOL STUDENTS**

BHS students who are unable to accumulate the credits necessary to graduate will be notified by letter, after the May 15 deadline, that they will not be allowed to participate in the graduation ceremony. Students who are eligible to graduate but fail a class(es) during last term, may participate in the graduation ceremony, but will not receive a diploma until they have met all BHS requirements. Please meet with a school counselor to determine a plan for graduation at BHS.

- **EARLY GRADUATION**

Seniors interested in early graduation must see their counselor by mid-term Trimester Two of their senior year. A student who participates in the summer term or after-school program at an ALC or other state-approved learning year program is ineligible for early graduation. Students who have chosen to accelerate their learning by accessing coursework outside Minnesota public education may still be eligible. A student who is enrolled in a CIS course during the third trimester is unable to graduate early due to District 877's financial commitment for the college credit. See your counselor for more information.

- **ACT TESTING AND REGISTRATION**

Buffalo High School offers a one time, during high school, option for Juniors or Seniors to take the ACT test at no cost to families. The ACT test is a college entrance exam that is important for students who may be considering a 4-year college or university. This exam is helpful in determining a student's college readiness. Many scholarship opportunities are impacted by ACT results as well. Please see your school counselor if you have additional questions regarding the ACT or other post-secondary entrance/placement exams.

- **GRADING POLICY**

Students have the responsibility to complete all assigned work within a class and an A, B, C, D and F system is employed for recognizing scholastic achievement. This marking system denotes "A" as excellent and "F" as failing.

Each course at BHS will have a final grade determined with a minimum of 70% of the grade based on summative assessments (e.g. tests, projects, end of unit activities). Students will have the opportunity to retake or make corrections on summative assessments, except for a final exam or activity, in order to show additional learning. It is the responsibility of the student to work with the teacher to understand the grading practices and timelines of each course.

- **ACADEMIC INTEGRITY**

All BHS students are expected to adhere to the fundamental values of academic integrity, which include honesty, trust, fairness, respect and responsibility. Scholastic dishonesty is defined as cheating on assignments or tests, plagiarizing, altering, fabricating, forging or acting alone or in cooperation with another to falsify records or to dishonestly obtain homework, tests or grades. Unless explicitly stated by the teacher of a class, the use of online or artificial intelligence tools, such as ChatGPT, will be considered academic dishonesty.

● STUDENT GRADE REPORTS

Each trimester is approximately twelve weeks. Infinite Campus is available for students and parents to have continual access to track academic progress. Hard copies of mid-term reports will be printed by request only for parents and guardians attending conferences.

● ACADEMIC ELIGIBILITY GUIDELINES FOR ACTIVITIES

All students intending to participate in co-curricular activities must meet minimum academic guidelines for eligibility. Failure to meet these requirements will result in a student being ineligible until they have successfully demonstrated they can meet academic expectations.

1. All co-curricular participants must be making satisfactory progress towards graduation. This is defined as having enough credits in order to graduate on time during a student's 12th grade year. Please see the BHS Registration Guide for specific graduation requirements by graduating class.
2. Any co-curricular participant that is failing more than one (1) class at or after the mid-trimester mark will be considered on academic probation. In order to maintain eligibility, the student must meet with the Activities Director and create a plan for academic improvement, within five (5) days of the student being declared on academic probation. If a student fails to follow these guidelines, he/she will be considered academically ineligible until determined by the Activities Director.
3. A student can fail no more than one (1) class in any trimester to maintain continuing eligibility provided that the student is making satisfactory progress towards graduation. If a student fails more than one (1) class in a trimester, he/she will be academically ineligible in the next activity season following the trimester. A student must pass all classes in the new trimester to recover his/her academic eligibility. Until a student completes a trimester successfully with no failed classes, he/she will remain academically ineligible to participate in co-curricular activities at the high school.
4. Students with an Individual Education Plan (IEP) that modifies graduation outcomes, must be making satisfactory progress toward the goals of the IEP as determined by the student's IEP team.
5. Any student requesting consideration of significant extenuating circumstances affecting his/her grades beyond the control of the student may submit a request to the principal within five (5) school days of being declared ineligible. The request must state the significant extenuating circumstances and substantiated facts.
6. A student and/or parent may file an appeal petition with the principal.

● INCOMPLETE GRADES

Students must complete all course work and graduation standards before the end of the term. In the event that an extenuating situation exists which may require additional time for completing course work, a student must request and complete the Incomplete Grade Permission Form with their teacher. If the incomplete grade is granted, the student must complete all work assigned by the teacher within the agreed upon time schedule.

Students are reminded that an incomplete term grade will become an F if the extension is not granted or the work is not completed in the allotted time frame. Incomplete grades can delay graduation. Each student will work with his or her teacher for all incomplete grades.

● GRADING SYSTEM

Buffalo High School's grading system is based on the following grade-point system:

(A+/A) = 4.0	(B) = 3.00	(C) = 2.00	(D) = 1.00
(A-) = 3.67	(B-) = 2.67	(C-) = 1.67	(D-) = 0.67
(B+) = 3.33	(C+) = 2.33	(D+) = 1.33	(F) = 0.00

Students will be recognized for scholastic achievement by a published honor roll. To be included on the "A" honor roll, students must achieve a grade point average of 3.67 or above. To be included on the "B" honor roll, students must achieve a grade point average from 3.00 to 3.66.

If you have an incomplete grade, your name may not appear on the published honor roll. CIS classes require that students receive both a high school grade and a college grade.

● ACADEMIC EXCELLENCE AWARDS

Buffalo High School recognizes superior academic achievement. A special program will be held in the spring to honor students. Students are eligible for departmental awards determined by teachers. Two senior students will be selected to be inducted into the Buffalo High School Hall of Fame. Seniors are eligible for the Presidential Academic Excellence Awards (3.67 cumulative and above GPA). Students must be at BHS for at least **six classes during trimesters one and two** of the current school year to be eligible for Academic Excellence awards. This includes PSEO and transfer students.

● ACADEMIC LETTERING

Students in all grades are eligible to earn a BHS Letter if their current GPA meets a certain standard. The standard has been set at a cumulative GPA over the first two trimesters of the academic year.

Grades 9 and 10 = 3.80

Grade 11 = 3.75

Grade 12 = 3.70

● HONOR GRADUATES

Graduating seniors are recognized for their scholastic achievement and will wear the symbolic gold cord during the commencement exercises. To achieve honor graduate status, a student must earn a cumulative grade point average of 3.67 or above for their 9-12 school years. This GPA is calculated after the second trimester of the senior year.

College Credit Options

● CONCURRENT ENROLLMENT

Qualifying students have the option to enroll in high school classes at Buffalo High School, while simultaneously earning college credit. These concurrent enrollment (College-in-the-Schools) courses are taught by qualified Buffalo High School instructors with no tuition costs to students or families. Students will earn a high school grade and credit, while also earning a grade and credit through a partnering university or technical college.

● ADVANCED PLACEMENT

Advanced Placement courses offer students the opportunity to learn introductory college level material, while preparing for a qualifying exam given in May. Students who score well enough on the Advanced

Placement exam may earn college credit that can be transferred to a future college or university. Students interested in this opportunity should contact their prospective college about how any earned credit will transfer.

- **POST-SECONDARY ENROLLMENT OPTIONS ACT**

Post-secondary Enrollment Options (PSEO) is a program that allows qualifying students in 10th, 11th and 12th grades to earn college credit while still in high school, through enrollment in and successful completion of college nonsectarian courses at eligible post-secondary institutions. Students generate both college credit and high school credit by successful completion of the course. Most PSEO courses are offered on the campus of the post-secondary institution; some courses are offered online. Each participating college or university sets its own admissions requirements for enrollment into the PSEO courses. 11th and 12th-grade students may take PSEO courses on a full- or part-time basis; 10th-graders are eligible to enroll in PSEO on a more limited basis. Students must meet the PSEO residency and eligibility requirements and abide by participation limits specified in Minnesota Statutes, section 124D.09.

Please contact the Student Services office regarding qualifications, application, and required timelines.

Attendance Procedures

The administration and faculty of Buffalo High School believe that regular school attendance is a significant and valuable component of a student's education. Regular attendance is directly correlated to successful academic achievement. Moreover, consistent school attendance is one means by which a student develops responsibility and self-discipline. For these reasons, student absence from school should be limited to those instances in which it is unavoidable. Each student, his or her parent or guardian, and the school share an obligation to encourage and ensure the student's continuous school attendance. The school may request medical verification for excessive absences. This philosophy is reflected and implemented in the Attendance Policy of BHS.

- **OUT-OF-BUILDING PASSES**

In order to leave the school during the school day, a permission must be received from parent/guardian excusing them at a specific time prior to leaving via a submitted absence request in Parent Portal or phone call (to Attendance Hotline 763.682.8181) that gives the student permission to leave. Students must sign in and out of the building as they come and go. Please make every effort to schedule personal appointments outside of the school day. If students leave the building at any time without a call from parent/guardian and signing out, the absence will be considered a truancy.

- **ABSENCES**

A student will be considered absent when he/she is missing from school for any day or part of the day. Teachers will make students aware of specific absence/attendance expectations. It is the student's responsibility to know each of their teacher's specific expectations.

When absences from school become habitual, a letter requesting medical verification will be sent home. From that point on, all additional absences will require medical verification to be considered excused.

Reporting Procedure: Late Arrivals, Early Departures and Absences – Infinite Campus Parent Portal "Absence Request" or call the Attendance Hotline 763.682.8181

Before or on the morning of a student's absence, late arrival or early departure, the student's parent/guardian is requested to submit an absence through the Infinite Campus Parent Portal "Absence

Request” tool or call the Attendance Hotline at 763.682.8181. Both of these services may be accessed 24 hours per day.

Infinite Campus Parent Portal - Absence Request is a new service offered this school year. More information for how to access this service can be found at: [Portal Absence Request for Families](#)

PLEASE BE AWARE THAT IF THE SCHOOL DOES NOT RECEIVE VERIFICATION TO EXCUSE A STUDENT’S ABSENCE WITHIN TWO DAYS OF THE ABSENCE, THE ABSENCE MAY BECOME A TRUANCY.

- **EXCUSED ABSENCES DEFINITION**

Valid excuses for absence/tardies are illness, medical or dental appointments, death of family member or close relative, religious reasons, official school field trips, co-curricular events, suspension, and up to two (2) days for significant family event, and other absences/tardies at the discretion of the building administration. The school day ends at 3:25pm. Student absences will not be approved to leave for work, non-school sanctioned activity, or other consistent absences. Repeated absences for medical or other appointments may require a note from the care provider. BHS administration reserves the right to deny an absence excuse based on the criteria above.

- **UNEXCUSED ABSENCES/TARDIES**

Those absences/tardies which are not listed under Excused Absences Definition and are not excused by an administrator shall be considered unexcused. This may include missing the bus, oversleeping, or personal reasons.

- **ABSENCES AND ACTIVITY PARTICIPATION**

Students participating in co-curricular activities are expected to prioritize their school attendance. Students who are absent from school without an approved excused absence, will not be permitted to practice, play or perform that day. Additionally, students who are repeatedly tardy or miss class, may not be permitted to participate in their scheduled activities until they have demonstrated more consistent attendance. BHS Activities Director, Nick Guida, will make any determinations on a student's eligibility as it relates to attendance.

- **ADVANCE NOTIFICATION**

Students who are absent because of activities, vacations, and other scheduled or prearranged activities should notify the office with an advance notification before their absence or the absence may be considered unexcused. Homework must be completed in advance of the absence or other arrangements should be made with your teachers. Examples: College fairs, state tournaments, family vacations.

- **MAKE-UP WORK**

When a student returns to class from an unanticipated absence, the teacher will provide make-up work and a clearly defined due date.

- **TARDINESS**

Being on time is a very important life skill. Students are expected to be in class when the class period begins. Students who are tardy for first class should sign in with the greeter and receive a pass to class. Teachers will inform students of their individual tardy policy. Tardiness may result in loss of credit for coursework missed, and time may be made up outside of the school day.

● TRUANCY

Definition: When a student is absent or habitually tardy from class without an approved reason, the absence is considered a truancy. Absences that are not excused within two days are truanies. It is the student's responsibility to make sure their absences are verified.

● CONSEQUENCES OF TRUANCY

STUDENTS MAY NOT RECEIVE CREDIT FOR ANY WORK MISSED FOR TRUANCIES (ie. tests, quizzes, reports due, etc.).

Truancies will be dealt with as follows:

1. For a student's first and second truancy, the student may be required to meet with an administrator.
2. Continual or habitual truancy may result in the loss of credit and a parent conference may be scheduled with administration and/or the Student Achievement Advisor.
3. Continual truancy will be reported to the Wright County Truancy Intervention Program. For more details, please visit [their website](#).

Expected Behaviors and Requirements

Students are expected to demonstrate appropriate behavior in the school, in the classroom, and at all school activities. Good behavior is necessary to provide a successful educational environment. The following guidelines will help ensure that the educational program can function to the best advantage for all students and staff.

1. Be present in classes daily.
2. Be in class on time.
3. Be prepared for class.
4. Bring all required materials to class (i.e. books, paper, pencils, physical education clothes, etc.).
5. Be attentive and participate in classroom activities.
6. Make an effort to be successful.
7. Show respect for teachers, other students, and school property by not engaging in activities that disturb the class or school environment.
8. Avoid using vulgar or offensive language to staff members or other students. This includes any written, verbal or implied threats, as well as writing on lockers, walls, etc.
9. Follow the directions of teachers and supervisors. Insubordination or the refusal to follow the directions of a teacher or supervisor is considered serious.
10. Help keep classrooms and the school neat and clean.
11. Take care of school property (i.e. books and equipment).
12. Avoid bringing valuables to school. Keep personal property in your possession or in a locked locker.
13. Respect others' choice regarding the Pledge of Allegiance. Students will have opportunities to recite the Pledge of Allegiance. Any person may elect not to participate and students must respect another person's right to make that choice.
14. Use electronic equipment and technology in an ethical manner.
15. Identify oneself when requested by any BHS staff member. Students must always identify themselves accurately by first and last name.

● CELL PHONES, SMART WATCHES, AND EARBUDS OR HEADPHONES

Readily available technology can be a powerful asset when it comes to student learning and building real-world connections. Also, there is significant research to support the concern that personal devices, such as cell phones, continuously connected to social networks, are a challenging distraction to teens and adults alike and, in many cases, negatively impact student academic performance, classroom environment, social interaction with peers, and individual mental health. BHS will take necessary measures to help promote a distraction-free classroom environment where students can thrive personally and academically.

General Guidelines

All students are expected to have daily access to a charged learning device, not a cell phone. If a student needs access to a chromebook, these are available through Buffalo High School. Students may NOT use cell phones, smart watches, earbuds/headphones, other personal electronic devices during class time - bell to bell. Students may only use these devices if they have the expressed permission of the teacher, within the classroom, and it is being used for academic tasks only. Personal device use is limited to before and after school, during passing time, and the cafeteria during lunch. All electronic devices should be kept off and stored in either a backpack or a locker during school hours.

Specific Restrictions

- Locker Rooms and Bathrooms: Devices with photo or video taking capabilities may NOT be used in locker rooms or bathrooms at any time. Confiscation and search of such devices is standard procedure if found in these areas.
- Unauthorized Recording: Students are prohibited from photographing, recording or making any electronic record of other students, staff, or visitors without express consent of the individual that is the subject of the recording, photograph, or electronic record. This policy applies to students during the school day, instructional and non-instructional time, before or after school while on school property, and at off-site, school-related events.
- Earbuds and Headphones: Earbuds or headphones are not allowed in class, unless expressly authorized by the teacher. If use is approved, any earbuds or headphones should be connected to a chromebook or other dedicated learning device. Headphones should not be connected to a cell phone.

Extenuating Circumstances

- Students who use their cell phone to monitor a medical condition (i.e. diabetes, epilepsy) may have their cell phone with them at all times. Please contact school administration if there is an essential need for an approved phone. In the case of medical necessity or emergency, a student should have a health plan or prior approval.
- Students who have a documented accommodation through an IEP or 504 to “listen to music during work-time” must connect their headphones to a chromebook or other dedicated learning device. Headphones should not be connected to a cell phone.

Additional Considerations

- The school reserves the right to inspect a student’s electronic device if there is reason to believe the student has violated school policies or engaged in misconduct while using the device. Refusing a search or disabling a cell phone or computer to thwart an investigation of a disciplinary matter will result in disciplinary action.
- The school is not responsible for, and is not required to investigate any lost, stolen, or damaged electronic devices brought onto school grounds or the bus.

- In case of emergencies, parents/guardians that need to speak with their student during the school day should contact the main office at 763.682.8100.

- **INAPPROPRIATE CLOTHING/ACCESSORIES**

Clothing is generally acceptable for school wear as long as it follows health and safety guidelines, does not disrupt the teaching/learning process, does not create school disorder, and does not create a harassing or intimidating environment (e.g., students are to wear shoes or sandals and may not wear clothes that threaten or demean other students). Students may not wear clothing or accessories that display words or images directly or indirectly advertising alcohol, tobacco, drugs or related products or which promote the use of these products, or that are profane, obscene or sexually suggestive.

In addition to clothing, students may NOT display other items or accessories that can cause a safety issue, disrupt the teaching/learning process, create school disorder, or cause a harassing or intimidating environment (e.g. displaying a confederate flag).

- **STUDENT TOBACCO POLICY**

Buffalo High School is a tobacco-free school. Student use and/or possession of tobacco in any form, including e-cigarettes, will not be permitted on or adjacent to, or within sight of any district property, on district property, on district school buses or loading or unloading areas or at any school event, home or away. Minnesota State Law prohibits anyone under age 18 to possess/use tobacco. Regardless of age, any Buffalo High School students in violation of the policy will be subject to school consequences. In addition to receiving school consequences, violators will be referred to the School Resource Officer. Multiple tobacco violations may result in long-term suspension or expulsion.

- **STUDENT DRIVING RESPONSIBILITIES**

It is recommended that all students use school transportation.

Students granted permission to drive a vehicle to school agree to abide by the following regulations:

- Follow all school rules listed and implied in the student handbook.
- Conform to all state and local driving laws and regulations.
- Consent to a complete search of the vehicle for any reason.
- Display a valid BHS parking permit from the rear view mirror.
- Park correctly in the student designated parking area.
- Obey speed limits (15 mph limit in the parking lots).
- All vehicles on campus must be registered.

Violations may result in, but are not limited to, the following measures: parking/driving permit suspended or canceled, vehicle towed at owner's expense or immobilized (booted) and fined.

A parking fee of \$100.00 for the school year, or \$50 if purchased after February 1, is required and an application must be received to obtain a validated student parking permit for parking on campus. Only one vehicle from the parking application may use the permit on any day. Any additional drivers or vehicles must purchase a daily permit for \$3.00. Snowmobiles and motorcycles must be registered and parked in designated areas.

- **DRUGS AND ALCOHOL**

The possession or use of drugs or alcohol is a serious violation of state laws and punishable by fines and/or imprisonment. Violators will be reported to the proper authorities and/or social agencies. Students who are under the influence of chemicals while at school, or who consume, sell, give away, or have possession of drugs, paraphernalia, or alcohol on school property or at school-sponsored activities

may be suspended or expelled from school. Illegal substances and related items will be confiscated. Before the student can be readmitted to school, a conference consisting of parents, the student, and the principal will be arranged to determine the best course of action for the student and the school. If exclusion or expulsion is recommended, it will follow state law. In addition, principals may send a student home if the principal suspects (via smell, action, and/or appearance) that a student has used drugs/alcohol. Our goal is to handle the situation in a manner that is in the best interest of the student, the student body and staff.

- **DETENTION**

Students may be assigned detention during or outside of regular school hours for infractions of school rules or disruptive behavior.

- **wRIGHT CHOICE**

wRight Choice is an alternative consequence to an out-of-school suspension. The program is a joint effort between the Buffalo-Hanover-Montrose School District and Wright County Court Services. wRight Choice provides academic and behavioral support for students who display inappropriate behavior at school.

- **SUSPENSION**

Occasionally, it becomes necessary to suspend a student from school. In this event, Minnesota State Law will govern all procedures. Students may be suspended from school for any of the following reasons:

1. Violation of any school regulation.
2. Conduct which materially and substantially disrupts the right of others to an education (this includes test cheating, harassment, threats of physical or mental harm, and/or offensive language).
3. Conduct which endangers persons or property (fighting, vandalism, stealing).
4. Other violations included in the District School Discipline Policy.

Students, and parent(s)/guardian(s) of students, who are suspended from school, may be required to meet with an administrator to develop a readmission plan that includes steps for improving student behavior.

- **EXPULSION**

Expulsion is defined by Minnesota State Law (MSA 127.26 – 127.40) as: “Expulsion” means an action taken by a school board to prohibit an enrolled pupil from further attendance for a period that shall not extend beyond one calendar year. Students will be recommended to the Board of Education of Independent School District 877 for expulsion from school for severe or persistent violation of school policy.

- **WITHDRAWAL FROM SCHOOL**

A student’s parent or guardian must attend a meeting with a school counselor if they are pursuing withdrawal from Buffalo High School.

- **SCHOOL SAFETY**

It is our priority to provide our students with a safe and secure environment in which to learn. Annually, school staff work with local police, fire and EMS to develop plans for a variety of emergency situations. In addition to planning, we have a school resource officer who proactively works with students and parents to identify any possible safety problems. There are AEDs spread throughout the building. The community Safe Schools Committee meets each month to discuss safety issues such as traffic, drinking, drugs,

probation, transportation, bomb threats, tornadoes, etc. The issue of student safety is taken seriously at BHS. Current practices will be continuously reviewed and improved.

Potential safety hazards exist for students in the following areas:

1. Evacuation - In accordance with state law, periodic evacuation drills will be held during the school year.
2. Threat and Intruder - Staff work with law enforcement annually to plan for possible threat situations. Students will practice related safety drills throughout the school year.
3. Student Awareness - Students are encouraged to notify an adult if they are aware of any school safety concerns. A student health and safety hotline is publicized on the hallway monitors. It is the responsibility of all members of the BHS community to make administration aware of any health and safety concerns.

● DANGEROUS WEAPONS POLICY

It is the policy of the Independent School District 877 to maintain a learning and working environment that is free from threats or harmful influence of any person(s) or group(s) that exhibit and promote violence and disruptive behaviors. The Board of Education is committed to promoting healthy human relationships, and working and learning environments that are physically and psychologically safe.

It shall be a violation of this policy for any pupil or staff member to possess a firearm or a dangerous weapon when in the school building or on school grounds, on the school bus or at any school-related activity. District personnel or students shall not bring or store a “dangerous weapon” on school property. This policy does not apply to firearm safety, color guard, or marksmanship courses or approved activities that may be conducted on school property.

Scope and Application:

Independent School District 877 shall take proactive measures to eliminate violence in our schools by protecting children and employees whose health or welfare may be jeopardized through acts of violence. Each school will strive to make schools safe by promoting safe and secure learning and working environments. In accordance with state laws, BHS will conduct at least one active shooter (lockdown) drill with students. This training will include parental notification, voluntary opt-out of participation, and follow-up debriefing with students. Please see BHS communication for more information regarding dates and opt-out processes. Additionally, students are encouraged to “say something if you see something” that is a potential threat to student, staff, or visitor health and safety.

A student who brings a firearm to school may be expelled for up to 365 calendar days. The Superintendent may, on a case-by-case basis, recommend to the Board of Education a modification of this requirement. Students with disabilities may be expelled for behavior unrelated to their disabilities as long as procedural safeguards required by IDEA and Section 504 are followed. Students will be expelled according to the Pupil Fair Dismissal Act. Any person in violation of this policy will be referred to the local law enforcement agency.

● COMPUTER/INTERNET USAGE

During the first weeks of school, all students will receive copies of the Buffalo High School Computer and Internet Usage Policy. Students will sign a sheet saying that they know, understand, and will abide by these policies. Computers at BHS are to be used for schoolwork and all printing must be related to school projects. Technology use, including Google Apps for Education, in the BHM School District is governed by School Board Policy 524 (Acceptable Use). Parents who wish to have their student opt out of Google Apps may contact their child’s principal.

BHM Schools will investigate allegations of discrimination and will take appropriate follow-up action, which may include disciplinary action. The School Board has adopted a supplement to Board Policy 102 outlining the rights of students, including transgender and gender non-conforming students, with respect to bathroom and locker room access, participation in extracurricular events and activities, and the use of preferred names and pronouns. Board Policy 102 and its supplement are publicly available on the District’s website. BHM Schools offers resources for students who are in need of support. Students and parents are strongly encouraged to speak with a principal or school counselor if they would like more information about resources available through the school district or if they have questions about how to formally report a complaint or concern.

- **RACIAL/RELIGIOUS/SEXUAL HARASSMENT AND HAZING**

It is the policy of Independent School District 877 to maintain a learning and working environment that is free of harassment or violence. Any malicious or sadistic conduct, defined in the section below, based on race, color, creed, national origin, sex, age, marital status, status with regard to public assistance, disability, religion, sexual harassment, and sexual orientation and gender identity is strictly prohibited by BHM School policy, MN State Statute, and Federal protections under Title IX.

The school district will act to investigate all complaints, either formal or informal, verbal or written. The school district will discipline any student or employee who violates this policy.

Students are requested to complete a “Student Concern Report Form” to provide documentation of any harassment based on race, color, creed, national origin, sex, age, marital status, status with regard to

public assistance, disability, religion, sexual harassment, and sexual orientation and gender identity. These forms are available in the front office.

MALICIOUS AND SADISTIC CONDUCT (MN Statute § 121A.0312)

(a) For purposes of this section, "malicious and sadistic conduct" means creating a hostile learning environment by acting with the intent to cause harm by intentionally injuring another without just cause or reason or engaging in extreme or excessive cruelty or delighting in cruelty.

(b) A school board of a district or charter school must adopt a written policy to address malicious and sadistic conduct and sexual exploitation by a district or school staff member, independent contractor, or student enrolled in a public school against a staff member, independent contractor, or student that occurs as described in section 121A.031, subdivision 1, paragraph (a). The policy must prohibit:
