

6th Grade Bison Parent Night

August 19th, 2024

This is an invitation for a **PARENT INFORMATION NIGHT** for parents of all 6th grade students. Please join us for an evening of learning, meeting, and exploring what middle school life will be like for your child. Parents will get a chance to meet with the building principals and ask questions. We will also update you on the new format for the first day of school. Although students may attend, the information shared will be geared towards parents. Students will have the opportunity to meet their teachers at open house the following Monday, August 26th.

Parents may also purchase locks (\$10) & Bison Binders (\$35) and sign up for the Parent Portal in the front office before or after the scheduled program in the Mall. We encourage you to sign up for the **Parent Portal** program which allows parents to go online and view secure information regarding attendance, grades and other data for their child. If you have signed up before you will not need to again. Parents will need to show a photo ID to sign up.

Important Information About the Event
