

Dear Applicant,

The Minnesota Chapter of FarmHouse Fraternity would like to inform you of an academic scholarship for **male high school seniors or transfer students who are planning to attend the University of Minnesota-Twin Cities**. There will be multiple scholarships up to \$1,000 available to students regardless of their major. The scholarships are awarded based on the individual's **Academic Achievement, Leadership Experience, Athletic Involvement** and **Career Motivation**, not their likelihood to join a fraternity.

The application is a simple, two-step process. First, the applicant must fill out one of the enclosed application forms. It may be easier to type the application; it can be found online at the Google Form link below. You may also send your application to Nathaniel Clore via email to clore004@umn.edu, or mail it to:

1505 Cleveland Ave N, St. Paul, MN 55108.

The application deadline is **March 30th, 2025**

The second step in the application process is to participate in a personal interview with our scholarship committee. Locations and dates for these interviews will vary as new circumstances arise. Our team will make sure to be flexible with how these interviews will be conducted. The location of the interview will be at Farmhouse, located at the bolded address above. However, we will be flexible for all interviews. The scholarship weekend will be held **April 5th-6th**. The goal for this scholarship weekend would be for the applicants to build relationships with other high-quality men before they attend the University of Minnesota, visit the campus, and make valuable connections with upperclassmen.

If you are unfamiliar with us, FarmHouse is an international fraternity open to students of all majors and backgrounds. With nearly 40 chapters throughout the United States and Canada, the FarmHouse motto is "**Builder of Men.**" We strive to excel in four areas of our lives: **Intellectually, Spiritually, Socially/Morally, and Physically**. We call these the 'four pillars' of FarmHouse. Members of the Minnesota Chapter are perennially identified as leaders on campus in academics, and athletics, as well as in campus and community involvement. FarmHouse Fraternity has always had strong ties to both FFA and 4-H. Additionally, we are a **Dry House**, meaning we are an alcohol and drug-free property. This provides a unique environment for young men to develop their future career and leadership goals.

If selected for a scholarship, recipients will be required to attend our **Scholarship Celebration Night** during the first week of Fall Semester 2025, and our **Scholarship Dinner** on the first Monday of the fall semester, where recipients will be recognized for their accomplishments. At the dinner, recipients will sign a scholarship agreement and receive a scholarship certificate to return with an unofficial transcript after the completion of their first semester. All scholarship recipients must maintain a 3.0 GPA or greater for the first semester of college. Once we receive the transcript, a check will be delivered for the awarded amount.

If any parents or interested applicants have any questions, please do not hesitate to contact me at my cell phone **(507) 520-1131** or by email at clore004@umn.edu. Also, visit www.minnesotafh.org to download a copy of this letter or the application form.

Best of luck finishing your high school career and preparing for college.

Sincerely,

Nathaniel Clore
