Dear Parent(s) or Guardian(s):

The nonpublic school, including home school, in which your child attends is located within the district boundaries of Buffalo-Hanover-Montrose School District (BHM). Per the Individuals with Disabilities Education Improvement Act (IDEIA), BHM Schools is therefore responsible for locating, identifying, and offering educational services to students with disabilities.

The purpose of this memo is to notify you of two possibilities:

1) If your child was previously evaluated by a Minnesota school district and found to be eligible for special education services and received services on an Individualized Education Program plan (IEP), BHM Schools stands ready to offer and provide special education services and related services. If you would like to pursue these services, please contact BHM Schools' Assistant Director of Special Services for next steps.

2) If you have concerns with your child's academic performance, communication, health or physical status, cognitive functioning, social/emotional or behavioral skills, motor skills, or functional skills, you may seek an evaluation through the BHM School District Special Services Department. A team will meet to review this request and will follow up with a proposal. If an evaluation is proposed it will be designed to determine whether or not your child has an educational disability as defined by eligibility criteria in Minnesota Rules 3525. For children who are found eligible to receive special education services, parents will be invited to participate on a planning team that will review the information and propose services.

If either of these options pertain to you or if you need more information, we would be happy to be a resource to you. Please let us, or your nonpublic school team, know if you have questions.

Sincerely,

Amy Ernst
Director of Special Services 763.682.8721
